What is the **WCF?**

The Wamego Community Foundation (WCF) was formed in 1998 as a 501(c)(3) nonprofit charitable corporation through which individuals, families, corporations, nonprofit organizations, and private foundations have been able to create funds and make gifts to benefit Wamego and surrounding communities.

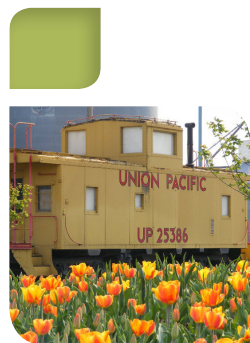

For more information about the WCF, please view our video located at www.theWCF.org

What is Endow Wamego?

The Endow Wamego Campaign is a way for individuals and companies to partner with the WCF to provide grant monies for local nonprofits and charities today, with a portion being preserved in an endowment fund for future needs of the foundation, our community and other nonprofits and charities.

An endowment fund means only the interest earnings can be spent, with the principal remaining in perpetuity.

How do I support Endow Wamego?

You can support Endow Wamego by becoming a **Partner** with the WCF. You can choose to become an annual supporting partner or make a one-time charitable donation.

Where will the grant money go?

Donated dollars will go toward essential services in the Wamego area, such as low-income health care, K-12 education, environmental protection, libraries, community centers, parks and recreation, scholarships, recycling, pet and humane shelters, and much more!

Since its inception, the WCF has given back hundreds of thousands of dollars to Wamego and surrounding communities, including scholarships; the Fourth of July Fireworks display; the new children's train, depot-style shelter house/restrooms, and playground equipment in Wamego City Park; new boat ramp; the Walter P. Chrysler House Visitor Center; youth fishing clinic; Wam-Sag-Man Trail; and Family Life Education, just to name a few.
