

Wamego Fireworks Display

July 4th, 2011

Voted Best Fireworks in Kansas in the KS Best 150 contest, this display is unique because it funded by many individuals and businesses in conjunction with the city. Thanks to the generosity of many patrons and community minded folks, this display has been able to maintain a high level of quality in face of rising material costs. The 100% volunteer crew that has produced this display for the past 12 years hopes you join with your financial support. Donors at the \$120 level and above will enjoy a reserved parking spot in the complex and access to the exclusive donor viewing area. But more than a parking spot, donations enable this to continue and are critical to its future. The 2011 ticket/parking pass schedule:

The complex is a great place to watch the show! We gear the entire show for best viewing from the East Side of the complex. New traffic flow patterns move the vehicles out relatively quickly after the event. We encourage you to visit our page at www.facebook.com/wamego.fireworks.show to learn about and help support the show. Hopefully you will click LIKE and encourage other friends to like it as well, enabling others who want to see this display to learn more.

Passes and tickets, along with detailed instructions will be delivered to you after processing your donation received by June 28th. Please enclose a mailing address where you would like your materials sent, with your donation, payable to Wamego Community Foundation: Fireworks Fund. You may drop it off at (1.) The Wamego Community Foundation Office located in the Elder Building, 1004 Lincoln, (2.) WTC c/o Mike Rice, or (3.) Mail it to the foundation at PO Box 25, Wamego KS, 66547.
