

# Wamego Fireworks Display

## July 4<sup>th</sup>, 2010

The volunteers have been busy working on this year's display and we need your help. Wamego fireworks are supported by a large group of private individuals and merchants whose contributions make this display happen each year. The show is community volunteer effort, no one is paid, and every dollar goes directly to the fireworks through the community foundation, allowing supporters to make this a charitable contribution. Donors at the \$120 level and above will enjoy a special dedicated vehicle entrance point, a reserved parking spot in the complex, and access to the exclusive donor viewing area, just one of the many enhanced benefits of shooting at the sports complex. The 2010 ticket/parking pass allocation schedule is the same as last year and is detailed below:

This great fireworks display would not be possible without community support and the generosity of so many. Your PYRO Crew thanks everyone past and present who have helped make this event possible and we promise to continue working to stretch every dollar entrusted to us to provide our community the most bang for the buck. Your volunteer crew has earned certification by the Pyrotechnic Guild International, demonstrates the crew's continued commitment to safety and the highest standards of pyrotechnic performance for Wamego. With another year of experience, we continue to evaluate several exciting changes to the format of the show to better utilize the facility and the opportunity for artistry it provides. Look for more of the beautiful and sky filling "fronts" shot simultaneously from four locations within the ball fields. Those in the complex watching the show will have a clear view of over 19,000 eye pleasing shots and special effects fired from these "fronts" during the show. Be sure to encourage those who did not watch from the complex last year to make the trip, it will be well worth it! The shell count this year will again be in excess of 23,500 shots, all fired in less than 30 minutes.

Passes and tickets, along with detailed instructions will be delivered to you after processing your donation. Please enclose a mailing address where you would like your materials sent, with your donation, payable to Wamego Community Foundation: Fireworks Fund. You may drop it off at 1.) WTC c/o Mike Rice, 2.)The Wamego Community Foundation Office located in the Elder Building, 1004 Lincoln, or 3.)Mail it to PO Box 25, Wamego KS, 66547. If you have further questions, contact Chris 458-9147 or Lanny 456-2021. Thank you for your consideration of this request and helping us continue this

great tradition.

Sincerely, Your Pyro Crew
